

# What's Good for Me

Lucy Woodward

I ain't no queen of hearts, I go through stages  
I fall in love then complicate it, yeah, you know the feeling  
Without much hope just blind ambition  
Pretending that theres nothing missing, I always kept believing That more, I thought if I had more, I wouldn't get  
so bored oh no  
But everything just left me empty  
Love walkin' in and out of my door wasn't good enough no more  
Well I don't trust myself life really sucks And first time I did it but I didn't do it  
Last time, that's when I really blew it  
So this time I'm gonna do it different 'cuz I know, I know, I know  
If I put everything I have into it  
Eventually I'm gonna get what's good for me, yeah I'm just tryin' to be creative but everyones so opinionated  
They wanna tell me what I'm feeling  
'Cuz one man's junks another's treasure  
When it's done it's hard to measure or keep on believing That more, I thought if I had more, I wouldn't get so  
bored oh no  
But I know it's gonna leave me empty  
Love walkin' in and out of my door wasn't good enough no more  
Well I don't trust myself I don't wanna get so bored And first time I did it but I didn't do it  
Last time, that's when I really blew it  
So this time I'm gonna do it different 'cuz I know, I know, I know  
If I put everything I have into it  
Eventually I'm gonna get what's good for me, yeah 'Cuz I don't want to live my life  
Wondering if only I woulda, I shoulda, I coulda  
But I didn't 'cuz I only blame myself again And first time I did it but I didn't do it  
Last time, that's when I really blew it  
So this time, this time, this time  
If I put everything I have into it  
Eventually I'm gonna get what's good for me, oh And I, I, I, I didn't do it  
Last time, that's when I really blew it  
So this time I'm gonna do it different 'cuz I know, I know, I know  
If I put everything I have into it  
Eventually I'm gonna get what's good for me, me, yeah, oh I'm gonna do it different, I know, I know, yeah oh  
yeah  
That's when I really blew it  
I'm gonna do it different, 'cause I know I'm gonna get what's good for me
