undoing]Braveness, courage, fortitude

Guide Tristan on his way

Hunting, fighting, risking all

There's no way he could fail

When he plays harp the angels sing

Enchanted by its melody

Falcons made obedient

No anger and no jealousyBut what's all the virtue worth

When the highest wish's refused

When desire's never stilled

And your love remains taboo

Some heavenly moments with her

Did fade away too fast

Now is the time to sacrifice

And to erase the pastMagic potion

Crystal clear

It's too late

Open lips and

Open heart

Tristan's fate
