

# Talking Bout Love

Darren Espanto

They don't think we've got  
What it takes for us to stay together  
But they don't know we have love  
Enough to stay with each otherBaby let's prove them wrong (Let's prove them wrong)  
They don't even know what they're talking about  
I know our love is strong (Love is strong)  
'Cause you're the one I can't be withoutHeard them talking 'bout love  
Heard them talking 'bout trust  
Heard them talking 'bout me and you  
Heard them say we're too youngThey don't know about us  
Let us show them what we can do  
Girl, I'm talking 'bout love, love, love  
Heard them talking 'bout me and you  
You and I both know  
That it won't always be very easy  
But you and I will grow closer to each other  
Believe meBaby let's prove them wrong (Let's prove them wrong)  
They don't even know what they're talking about  
I know our love is strong (Love is strong)  
'Cause you're the one I can't be withoutHeard them talking 'bout love  
Heard them talking 'bout trust  
Heard them talking 'bout me and you  
Heard them say we're too youngThey don't know about us  
Let us show them what we can do  
Girl, I'm talking 'bout love, love, love  
Heard them talking 'bout me and you  
Girl, I ain't crazy or stupid  
And I'm no fool  
But I know you got me  
And I know got you, tooGirl, I ain't crazy or stupid  
And I'm no fool  
But I know you got me  
And I know I got you, tooHeard them talking 'bout loveHeard them talking 'bout love  
Heard them talking 'bout trust  
Heard them talking 'bout me and you  
Heard them say we're too youngThey don't know about us  
Let us show them what we can doGirl, I'm talking 'bout love  
Heard them talking 'bout trust  
Heard them talking 'bout me and you

Heard them say we're too young  
They don't know about us  
Let us show them what we can do Girl, I'm talking 'bout love, love, love  
Girl, I'm talking 'bout me and you  
Baby, let's prove them wrong  
They don't even know what they're talking about
