

End Of The Day

[Beck](#)

I've seen the end of the day come too soon
Not a lot to say, not a lot to do
You played the game, you owe nothing to yourself
Rest a day for tomorrow you can't tell, you can't tell
I've seen the end of the day come too late
Seen the love you had turning into hate
Had to act like I didn't even care
But I did so I got stranded standing there, standing there
It's nothing that I haven't seen before
But it still kills me like it did before
No it's nothing that I haven't seen before

But it still kills me like it did before
I've seen the end of the day come too soon
Like the prison dogs they set out after you
You owe nothing to the past but wasted time
To serve the sentence that was only in your mind, in your mind
It's nothing that I haven't seen before
But it still kills me like it did before
No it's nothing that I haven't seen before
But it still kills me like it did before
