

# Your Love Is Incredible

SisqÃ³

Uh, hmm, oh baby  
Baby yeah, baby, baby listen

Girl I peeped you long ago now  
So I wrote down for you every Saturday, hmm  
You was peeling a banana  
I was looking at you  
Thinking you're freaky  
(That night)  
That night I got get you, got to get you  
Underwear in my back right, hmm  
And I can't get you out of my mind  
Girl I can't get you out of,  
Because you're

You're love is incredible  
You can say it's unforgettable  
Can't believe it's getting sexual  
Cause you're love is incredible, incredible  
Said you're love is incredible  
You can say it's unforgettable  
Can we make it more than sexual?  
Cause you're love is incredible, incredible, incredible

I'm thinking about the things that you did to me  
Imagining your body moving like a centipede  
I want you to know that I'm ready to be  
All over you body, baby you got all I need  
I like the way you got the softest lips  
Alright, sensuated by the way you kiss me  
Oh girl I'm telling you with you is where I want to be  
You know you got me crazy  
Cause your loveÃ¢?Â!

Uh, uh, baby, ooh  
Yeah, yeah, yeah, yeah  
Yeah, yeah  
Baby I know that you're love is incredible

Yeah baby

(Come on, uh, come on, uh, come on)
