

It Might Be You

[Stephen Bishop](#)

Time, I've been passing, time watching trains go by
All of my life lying on the sand, watching seabirds fly
Wishing there would be someone waiting home for me
Something's telling me it might be you
It's telling me it might be you all of my life
Looking back as lovers go walking past all of my life
Wondering how they met and what makes it last
If I found the place, would I recognize the face?
Something's telling me it might be you
Yeah, it's telling me it might be you
So many quiet walks to take
So many dreams to wake
And we've so much love to make
Oh, I think we've gonna need some time
Maybe all we need is time
And it's telling me it might be you all of my life
I've been saving love songs and
lullabies
And there're so much more no one's ever heard before
Something's telling me it might be you
Yeah, it's telling me it must be you
And I'm feeling it'll just be you all of my life
May be it's you
(It's you)
Maybe it's you
(It's you)
I've been waiting for all of my life
