

# Temporary

## Orly

I used to be so quick, so clever  
And I used to know myself much better  
Cause anyone can see that this is only permanent  
Temporary, it never hurts to try  
And it's all a game  
I know we'll stay the same  
But repetition ends in failure  
And every time I see it in your eyes  
When repetition ends, we'll start over  
Now I'm a walking contradiction  
So tell me what's wrong with this picture?  
Cause anyone can see that this is only permanent  
Temporary, so don't hurt me this time

And it's all a game  
I know we'll stay the same  
But repetition ends in failure  
And every time I see it in your eyes  
When repetition ends, we'll start over  
So give it up, just give up  
Give it up, give up  
Give it up, just give up  
Give it up, give up  
And it's all a game  
I know we'll stay the same  
But repetition ends in failure  
And every time I see it in your eyes  
When repetition ends, we'll start over  
We'll start over
