

# Dr. Wanna Do (Live in Glasgow)

## Caro Emerald

I just made an appointment for a special rendezvous  
To see a man of miracles and all that he can do  
I checked in at reception, put my hat onto my lap  
And when he walked in dressed in white I had a heart attack  
My eyes went ooh, my voice just cooed  
My mind let loose  
I'll stay forever, it's up to you  
(Dabedebedibedabedudohdoh) Doctor, I want you  
Mmm, my doctor wanna do  
I can't get over you  
Dr. do anything that ya wanna do Doctor, I want you  
Mmm, my doctor wanna do  
I can't get over you  
Dr. do anything that ya wanna do I sat down and I waited 'til I heard my name get called  
It's like I'm at the races and I think I won them all  
He asked me to step forward, first I caught my breath and ran  
For endless observation in the hands of Superman  
My eyes went, ooh, my voice just cooed  
My mind let loose  
I'll stay forever, it's up to you  
(Dabedebedibedabedudohdoh) Doctor, I want you  
Mmm, my doctor wanna do  
I can't get over you  
Dr. do anything that ya wanna do Doctor, I want you  
Mmm, my doctor wanna do  
I can't get over you  
Dr. do anything that ya wanna do Come over here and give me some medicine  
Move a little closer so my head can spin  
A little bit of potion makes my fever go  
Get it out of me, me like a volcano  
My eyes went ooh  
(Uhuh uhuh)  
My voice just cooed  
(You know it)  
My mind let loose  
Mmm, Dr. Love  
(Dabedebedibedabedudohdoh) Doctor, I want you  
Mmm, my doctor wanna do  
I can't get over you  
Dr. do anything that ya wanna do Doctor, I want you  
Mmm, my doctor wanna do  
I can't get over you

Dr. do anything that ya wanna do
