Forward

James Fortune

Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go
Iâ€™m moving forward, moving forward

Feeling hopeless seems like nothingâ€™s going my way
Giving up is never an option even on my worst day
I know that I was put here to make it to the finish
So I press on when others quit

Forward, I am moving forward

Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go
Iâ€™m moving forward, moving forward

When it seems the past is trying to stop
Iâ€™m forgetting those things that are behind me
I have got my eyes set on the prize
I canâ€™t lose sight, Iâ€™m moving on

Forward, I am moving forward

Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go
Iâ€™m moving forward, moving forward

All the sweat and the tears I cried
Had me seeing that I was born to win
Got a new destination in mind and thatâ€™s forward
I wonâ€™t stop until I get there

Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go back
Iâ€™m moving forward, I canâ€™t go
Iâ€™m moving forward, moving forward
