Surrender

U2

Oh, the city's alight
With lovers and lies
Bright blue eyes
Oh, the city is bright
It's brighter than day tonightSurrender, surrender
Surrender, surrenderSadie said she couldn't work out
What it was all about
And so she let go
Now Sadie's on the street
And the people she meets you know
She tried to be a good girl and a good wife
Raise a good family
Lead a good life
It's not good enough
She got herself up on the forty-eighth floor
Gotta find out
Find out what she's living forSurrender, surrender
Surrender, surrenderTonightOh, the city's afire
A passionate flame
It knows me by name
Oh, the city's desire
To take me for more and more
It's in the street, getting under my feet
It's in the air, it's everywhere
My love for you
It's in the things I do and say
If I want to live I gotta
Die to myself somedayPapa sing my sing my sing my song
Papa sing my sing my sing my song
Papa sing my sing my sing my songSurrender, surrender
Surrender, surrender
