# Sugar Fever

## Tigertailz

i got a sweet,sweet,sweet sugar fever
i got it bad,so bad that sweet diseasepoint me at your enemy
'cause baby I'm a slave to freedom
open hunting season in this theatre of war
drop me in the combat zone
but promise me I'll make it home
dress me in your colours
come on bless me underneath the flagshooting up in the jungle
gets you a heart attacki got a sweet,sweet,sweet sugar fever
i got it bad,so bad that sweet disease
i got a sweet,sweet,sweet sugar fever
na na na na
you're giving mei got a sweet,sweet,sweet sugar feveron won't you shower me in sacred weapons
i will fight for soul possession
i'm a slave to sweet aggression
they'll never take me aliveshooting up in the jungle
gets you a heart attackI got a sweet,sweet,sweet sugar fever
I got it bad,so bad that sweet disease
I got a sweet,sweet,sweet sugar fever
Na Na Na Na
You're giving meI got a sweet,sweet,sweet sugar fever
