

Self Serving With a Purpose

[MxPx](#)

Next time my heart breaks in cold rage
I'll be on your page
Waves of misunderstanding crashing
Demanding passage through Don't tell me I've changed
Don't tell me I've changed You've got your rights
Don't mean it's right, ethical, or sane
I'm not your type, you're behind me
Don't remind, regret Don't tell me I've changed
Don't tell me I've changed
I'm not like you thought
I'm not like you thought Still desperate is as desperate does
Self served purpose, grasping straws
Ugly hate and ill bred heart
Misunderstanding from the start Let's go, let's go, let's go Don't tell me I've changed
Don't tell me I've changed
I'm not like you thought
I'm not like you thought Don't tell me I've changed
Don't tell me I've changed
I'm not like you thought
I'm not like you thought
