

Stupid Things

[Robin Thicke](#)

Just charge it to my account, I hope I haven't gone over my limit
With interest rates so swift
No need to scream and shout, no doubt if women are from Venus now
I'll get to them somehow All I wanna do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on how I feel about you, how I feel of
All the stupid things I do
Have absolutely no reflection on, how I feel about you
How I feel about you Oh yes I recall skipping on breakfast to play basketball
Then feeling two feet small
Sometimes you read like William Shakes
Your scent is sweet like Betty Crocker bakes
I'd love to have your cake and eat it to All I want to do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on how I feel about you, how I feel of
All the stupid things I do
Have absolutely no reflection on, how I feel about you
How I feel about you All I want to do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on how I feel about you, how I feel about
Oh how I feel about you
