

This Is All I Have

Ozark Henry

This is all I have
It's been spread out loud
You took all of me
 Everything
Nothing left to pack
 But my cigarettes
 And a photograph
 You forgot
 Still I'm on my way
 Chasing love behind
Not knowing what to find
 All I know
 Still I'm on my way
 Oh for all I care
 Hanging on to love's
Sweetest crimeAm I guilty of
 All that you've committed
 All of what you did
Everything?Rumours spread around
 That I was unsound
 That I let you down
 All the way
 Still I'm on my way
 Chasing love behind
Not knowing what to find
 All I know
 Still I'm on my way
 Oh for all I care
 Hanging on to love's
 Sweetest crime
