

Crazy Girl

Basement Jaxx

When I met you
You were sexy
You were freaky
I thought my luck was in
Then I noticed
You were crazy
I did not know what to do?'Cos I thought it was loveCrazy girl
Crazy girl
Crazy girl
Crazy girl
What we had now its goneI want somethin', that you cannot give
I want somewhere, where the sun will shine
Why must we be too imcompatible?
Why must we be too imcompatible?'Cos I thought, it was loveCrazy girl
Crazy girl
Crazy girl
Crazy girl
Something special in so many waysCrazy girl
Crazy girl
Crazy girl
Crazy girl
What we had now its gone
What we had now its gone'Cos I thought, it was loveCrazy girl
Crazy girl
Crazy girl
Crazy girlCrazy girl
Crazy girl
Crazy girl
Crazy girl
What we had now its gone
