Irresistible (long Version)

Stephanie

He's so secure
He's so sure
He's so vain.
He's a maker of fashion
He's a faker of passion
I see right through all his jive ballyhoo.
But he's into my system though I try to resist him
I can't fight anymore.
Irresistible
Irreversible
I can't fight the temptation.
Call it physical
It's illogical
Still I love the sensation.
Irresistible
Irresponsible
Regardless of reason
Love's swept over me
I'm too blind to see, I can't fight off the feeling.
I know he's wrong but his arms feel so right.
He's a magical potion
Tearing up my emotions.
Why if I see what this boy does to me
Can't I simply forget him
Cause I know I'll regret him?
I can't fight anymore.
Irresistible
Irreversible
I can't fight the temptation
Irresistible
Irresponsible
Regardless of reason
Love's swept over me
I'm too blind to see, I can't fight off the feeling.
Like a magnet attracting steel
Just a look from his eyes I feel
That I'm losing my self control
He takes over my soul what for?

But I keep coming back for more.
