Love Sweet Love.

Shocking Blue

Although you're not a millionaire
to live my life I need you there
Although you have no handsome face
in my heart there's just one place
that's love sweet love
that's love sweet love
that's love sweet loveAlthough you made some big mistakes
which gave me sorrow and heartaches
and when your to late at date
I don't care I'm always the one to waitpaw,paw,paw,paw.
Although you can't dance like Fred Astaire
and you ain't got a house in Bel Air
still you are my exclusive movie star
I will take you for what you are.Lyrics and music: Robbie van Leeuwen
