

# Get Dressed

George Clinton

We're the opening act  
We can't come back  
You gets no more  
We gets no encore  
Get dressed  
Time to go, don't wanna close the show  
Close the door, I'm dressin'  
Get dressed Time to go, don't wanna close the show  
Close the door, I'm dressin'  
I'm dressin', undress  
Gimme the flo'  
I got somethin' to show  
Close your eyes, he's undressin'  
We're the opening act  
We can't come back  
You gets no more  
We gets no encore  
High go thru the door  
But I can't undress What the hell's goin' on in here  
You're under arrest, get dressed  
Say what  
It's time to put the show on the road  
Time to put the show on the road  
I'm dressin'  
Well alright now  
Meanwhile we find our opening act  
Back in' the dressing room  
Discussin' their room on the show When someone says  
Get dressed, I want y'all  
And then the drummer says  
A good show, starts in' the dressing room  
And work its way to the stage  
Will someone give this young lady a backstage pass While I work my way to the stage  
Get dressed, time to go  
Gotta start doin' the show  
Close the door, I'm dressin'  
Yeah, I'm dressed to get down  
Are y'all gonna throw down tonight  
Yeah, well alright then We got to get the show on the road

It's time to get the show on the road  
We got to get the show on the road  
It's time to get the show on the road  
We're the opening act  
We can't come back  
You gets no more  
We gets no encoreGot to get it while you can get it  
I'm dressin' ooh y'all  
Well alright yo, are y'all ready to throw down  
What goes around funks around  
We're the opening act  
We can't come back  
You gets no moreWe gets no encore, get dressed  
A good show starts in the dressing room y'all  
And work its way to the stage  
Show me the stage  
And as sure as land don't shrink  
And money don't grow  
You gets no mo', you gets no encoreGet dressed  
We the opening act  
We can't come back  
You gets no more  
We gets no encoreWe got to get the show on the road  
It's time to get the show on the road  
We got to get the show on the road  
It's time to get the show on the roadGet dressed  
What the hell's going on in' here  
Get dressed, you're under arrest  
The show is closed  
Get ready, DA DE DE  
I'm ready, woo woo  
One minute, woo wooGet dressed  
Close the door, I'm dressin'  
We got to get the show on the road  
It's time to get the show on the road  
We got to get the show on the road  
Get dressed, I'm dressin'  
We got to get the show on the road...
