Reckoning

Ãœnloco

You are no god to me
You are nothing to me
This is a reckoning
Enjoy this while it lasts
It won't be long before it dies
You've stolen life and broken dreams
No man can be a deity
You are no god to me
This is a reckoning
You are nothing to me
This is a reckoning
Was the penance not enough?
Was faith not enough?
No man can be a deity
You are no god to me
This is a reckoning
You are nothing to me

This is a reckoning
And I will be there to see you fall
You are no god to me
There is a reckoning
The betrayed will now see the truth
And the broken-hearted will finally heal
You will be judged
You will be found wanting
And we'll be there to see you fall
You are no god to me
This is a reckoning
You are nothing to me
This is a reckoning
And I will be there to see you fall
You are no god to me
There is a reckoning
