

# Finesse

Drake

Yeah  
Turn everything up  
Yeah, oh yeah  
Turn everything up a little more I want my baby to have your eyes  
I'm going against my own advice  
Should I do New York I can't decide  
Fashion week is more your thing than mine  
I can't even lie  
I'd rather stay inside  
I can't do suit and tie  
Can't be in a room with you and stand on different sides  
One thing at a time  
I have to learn to hide  
One thing at a time  
Emotions running high  
I wish you felt alright  
Just hitting my line  
All the time, all the time, all the  
You stay on my mind  
All the time, all the time (yeah) It takes some finesse  
I seen you finesse  
He can't know finesse You stay on my mind  
You and your sister  
Too hot to handle  
Things will get cancelled  
I would make time for you  
Commitment  
Going the distance  
I'm new to all of this  
It takes some finesse  
I seen you finesse  
He can't know finesse  
You stay on my mind
