

# Sappy

## Nirvana

And if you save yourself  
You will make him happy  
He'll keep you in a jar  
And you'll think you're happyHe'll give you breathing holes  
And you'll think you're happy  
He'll cover you with grass  
And you'll think you're happy nowYou're in a laundry room  
You're in a laundry room  
The clue that came to you, ohAnd if you cut yourself  
You will think you're happy  
He'll keep you in a jar  
Then you'll make him happyHe'll give you breathing holes  
Then you'll think you're happy  
He'll cover you with grass  
Then you'll think you're happy nowYou're in a laundry room  
You're in a laundry room  
The clue that came to you, ohYou're in a laundry room  
You're in a laundry room  
The clue that came to you, ohAnd if you fool yourself  
You will make him happy  
He'll keep you in a jar  
Then you'll think you're happyHe'll give you breathing holes  
Then you will seem happy  
You'll wallow in the shit  
Then you'll think you're happy nowYou're in a laundry room  
You're in a laundry room  
You're in a laundry room  
The clue that came to you, oh
