Smalltown Boy (Full 12" Version)

Bronski Beat

To your soul
To your soul
Why why
You leave in the morning
With everything you own in a little black case
Alone on the platform
The wind and the rainOn a sad and lonely face
Mother will never understand
Why you had to leave
For the love that you needWill never be found at home
Pushed around and kicked around
Always a lonely boy
You were the oneThat they'd talk about around town
As they put you down
And as hard as they would try
They'd hurt to make you cry
