Tryin' To Get The Feeling Again

Carpenters

Doctor my woman is comin' back home late today
Could you maybe give me something?
'Cause the feelin' is gone
And I must get it back right away
Before she sees that I've beenUp, down, tryin' to get the feelin' again
All around tryin' to get the feelin' again
The one that made me shiver
Made my knees start to quiver
Every time she walked inAnd I've looked high, low
Everywhere I possibly can
But there's no tryin' to get the feelin' again
It seemed to disappear as fast as it cameWhere did it run to?
I thought I'd done all that I could
Just to keep the love light burnin'
But whatever I've done I guess
I just haven't done it too good
'Cause all that's left is yearnin'I've been up, down, tryin' to get the feelin' again
All around tryin' to get the feelin' again
The one that made me shiver
Made my knees start to quiver
Every time she walked inAnd I've looked high and low
And everywhere I possibly can
But there's no tryin' to get the feelin' again
It seemed to disappear as fast as it cameAnd I've been lookin', I've been lookin', I've been lookin'
I've been up and down and tryin' to get the feelin'
I've been up, I've been down, I've been tryin' to get
I've been tryin', I've been tryin' , I've been tryin' to get the feelin'
I've been tryin' to get the feelin' againI wanna get that feelin'
I want to get that feelin'
I got to get that feelin'
I gotta get that feelin' againTryin' to get
Trying to get, get, get, tryin' to get the feelin'
I've been tryin' to get the feelin' again
