

Fallen Angels (Live Golden God Awards 2012)

Black Veil Brides

Scream, shout

Scream, shout

We are the fallen angels We are the in between cast down as sons of war

Struck to the earth like lightning on this world we're torn We will cause the pain of living out there, love

Take joy in who you are

We know how wings are flown We're bored to death in heaven and down alone in hell

We only want to be ourselves We scream, we shout

We are the fallen angels

We scream, we shout, whoa whoa

Too lost to see the road

No need to feel this sorrow

We scream, we shout, whoa

We are the fallen angels Follow the morning star

On a land when darkness failed

The passion left unholy

Now you found yourself

We have nowhere to go, no one to wish us well

A cry to find a home, our stories they will tell We're bored to death in heavens and down the alone in hell

We only want to be ourselves We scream, we shout

We are the fallen angels

We scream, we shout, whoa whoa

Too lost to see the road

No need to feel this sorrow

We scream, we shout, whoa

We are the fallen angels Scream, shout

We are the fallen angels

Scream, shout We scream, we shout

We are the fallen angels

We scream, we shout, whoa whoa

Too lost to see the road

No need to feel this sorrow

We scream, we shout, whoa

We are the fallen angels We scream, we shout

We are the fallen angels

We scream, we shout

Whoa, whoa

We shout

We are the fallen angels
