Morning Sun

Dot Allison

Try to catch her
Falling from the sun
There's an answer
Till the daylight comesTry to catch her
Falling from the sun
There's an answer
Till the daylight comesTry to catch her
Falling from the sun
There's an answer
Till the daylight comesTry to catch her
Falling from the sunMaybe you'll die in her arms
Maybe you'll die in her arms
Maybe you'll die in her arms
Maybe you'll die in her armsIn her arms
In her arms
In her arms
In her arms
In her armsThere's an answer
Till the daylight comes
Try to catch her
Falling from the sun
