The Golden Road

Sirk

See that girl, barefootin' along
Whistlin' and singin', she's a carryin' on
There's laughing in her eyes, dancing in her feet
She's a neon-light diamond, she live on the streetHey hey, hey, come right away
Come and join the party every day
Hey hey, hey, come right away
Come and join the party every dayWell everybody's dancin' in a ring around the sun
Nobody's finished, we ain't even begun
So take off your shoes, child, and take off your hat
Try on your wings and find our where it's atHey hey, hey, come right away
Come and join the party every day
Hey hey, hey, come right away
Come and join the party every dayTake a vacation, fall out for a while
Summer's comin' in, and it's goin' outta style
Ha-ha-have lot of smokin' honey, have yourself a ball
'Cause your mother's down in Memphis, won't be back till the fallHey hey, hey, come right away
Come and join the party every day
Hey hey, hey, come right away
Come and join the party every dayHey hey, hey, come right away
Come and join the party every day
Hey hey, hey, come right away
Come and join the party every day
