The King Is Back

Jimi Blue

Oh yeah, ladies and gents
It's been a long time
It's been a long, long time
This is the comeback of the year
Of the king is back
You know the king is backThe king is back
How's your daughter?
See this is not a test
Oh yes, I'm back
Once again, never left
I'm on attack
The king is back
How's your daughter?
See this is not a test
The king is back
Once again, never left
I'm on attack
It's me, I'm backReady to conquer the world, step by step
I got the stuff that you need
It's the first league, I will succeed
I just won't step like a club and drop it hot
Don't you know that I'm bringing the heat
I'm driving full speedDon't you know I've got the master plan?
Don't you know I've got the master plan?
Don't you know I've got the master plan?
Don't you know I've got the master plan?Oh boy, you know that the king is back
The haters try and burn down the shack
Got a bag full of beats, got he illest track
Get your mind out the club, go and sit the backThe king is back
How's your daughter?
See this is not a test
Oh yes, I'm back
Once again, never left
I'm on attack
The king is back
How's your daughter?
See this is not a test
The king is back
Once again, never left

I'm on attack
Oh yes, I'm back{Back} Back {Back} Back {Back}
The king is back to take over this room
The king is back, ready to go
Don't you know, I've got hits on the roll
I dropped the bomb, got down
And you got smacked by this song
I'm setting trance, I got beats
By the most of my friends
Don't you know that you can not stop me
I've got the magic beatDon't you know I've got the master plan?
Don't you know I've got the master plan?
Don't you know I've got the master plan?
Don't you know I've got the master plan?The king is back
How's your daughter?
See this is not a test
Oh yes, I'm back
Once again, never left
I'm on attack
The king is back
How's your daughter?
See this is not a test
The king is back
Once again, never left
I'm on attack
Oh yes, I'm back{Back} Back {Back} Back {Back}
The king is back to take over this room
The king is backOh yeah, I know you like that
Ha ha, it' the king
Bringing it back, boy
Yeah, gonna bring it back one more timeThe king is back
How's your daughter?
See this is not a test
Oh yes, I'm back
Once again, never left
I'm on attack
The king is back
How's your daughter?
See this is not a test
The king is back
Once again, never left
I'm on attack
Oh yes, I'm back{Back} Back {Back} Back {Back}
The king is back to take over this room
The king is back, oh yes I'm back

The king is back to take over this room
The king is back {Back}
