

# Know You Now (Leicester Summer Sundae 2004)

## Amy Winehouse

You're just a little boy underneath that hat  
You need your nerve to hide your ego, don't come with that  
You think everything is handed to you free  
But it's not that easy, no I gotta know you now  
We may never meet again  
I gotta know you now and then My girl says I'm too sensitive to ride with you  
But I'm not listening to her, mm hm  
Yes I'm perceptive so when I've dance with you  
You'll whisk your head back the way it were  
As you were I gotta know you now  
We may never meet again  
I gotta know you now and then Oh, I'm not ruling you out  
I'm just in doubt as to what you say you're all about, yeah I gotta know you now  
We may never meet again  
I gotta show you now and then  
I gotta know you now and then I gotta know you now  
We may never meet again I gotta know you now  
We may never meet again I gotta know you now  
We may never meet again I gotta know you now  
We may never meet again
