Check this one
Fell to the red room because she was there
A scarlet woman, now I'm in fear
She said, Do all those things that you do to me
Do you know what I mean?
Do all those things that you do to me
Love removal machine Love remover
Love removal machine
Gimme love, fun remover
Love removal machine Baby, baby, baby I fell from the sky, yeah
Yesterday, you blew my mind
Having trouble with my direction
Upside-down, psychotic reaction Love removal
Love removal machine
Gimme love, fun remover
Love removal machine Gimme love
Love removal machine
Gimme love, fun removal
Love removal machine Love
Love removal machine
Gimme love, fun removal
Love removal machine Gimme love
Love removal machine
Gimme love, fun remover
Love removal machine Baby, baby, baby I fell from the sky, ow
Yesterday, you blew my mind, oh yeah
Having trouble with my direction
Upside-down, psychotic reaction Love
Love removal machine
Gimme love, fun remover
Love removal machine Gimme love
Love removal machine
Gimme love, fun remover
Love removal machine Heart breaker, soul shaker
Heart breaker, soul shaker
Love, love removal machine Heart breaker, soul shaker
Heart breaker, soul shaker
Love, love removal machine
