

# Best Damn Friend

## Barenaked Ladies

Talk was cheap  
'Till I started talking to professionals  
Not my first leap,  
This atheist could have used confessional  
Sown, so reap,  
Allow me to lead you in devotional  
While you weep,  
Imagine the man whose more emotional.

[Chorus]  
And we'll go  
I'll be your hero  
I'll be your man  
I'll be your best damn friend 'til the end  
Sixty to zero  
Get up and then  
I'll be your best damn friend again

Actions speak  
Louder, but only when they're spoken to  
It's not weak to remake amends the way I've chosen to  
Hide and seek  
And somewhere ahead we'll find a way to trust  
It make look bleak  
So I'll just imagine for the both of us

[Chorus: x2]

[Chorus: x2]
