

I Love You Babe (Reprise)

Babyface

Love never came between us
For love was too deep in our hearts
It's the silly things we do between us
That managed to tear us apart
But oh I believe if we work real hard
We can get through, through it this time
Girl just trust me and I will trust you
There'll be nothing that we can't get through[Chorus:]

I love you, babe
In the scariest way
I want you, babe
To stay with me
I love you, babe
Though I'm hurtin' to say
I want you, babe
To stay with me
I love you, babe
In the scariest way
I want you, babe
To stay with me
I love you, babe
Though I'm hurtin' to say
I want you, babe

To stay with me Trust never came between us
And that's just the way that we are
It's the crazy things we do between us
That managed to break both our hearts
But oh I believe that we can survive
Through anything if we'd only try[Chorus: Repeat 2X]
