

U Bring Da Dog Out

Rhythm & Knowledge

(HOOK)

You bring the dog outta me

(rpt 4x)(VERSE ONE)

I must confess

My eyes are fixated on your dress

And the way you move

You've got me hot

My mind is spinnin' like a top

Your skin's so silky smooth

Yerning

Burning

I want your love

Touch me

Teach me

What you dream of

Hold me

Scold me

Baby at your whim

Inside

Outside

Show me what your feeling(HOOK)

You bring the dog outta me

(rpt 4x)(VERSE TWO)

Dont be surprised

If you make my nature rise

While we're dancing slow

It's the natural thing

When you make your jimmy swing

Honey dont you know

Yerning

Burning

I want your love

Touch me

Teach me

What you dream of

Hold me

Scold me

Baby at your whim

Inside

Outside
Show me what your feeling
