I Am Onslaught

Emmure

Hide behind a mask you fucking Coward, You stand powerless,
Hide behind a mask you fucking coward, I detest your presence.
Know my name and fear it,
Know my name and fear it.
I was born to destroy you will not escape me?

I am Onslaught,
I am Onslaught,
Hide behind a mask you fucking Coward,
You stand powerless, Hide behind a mask you fucking coward, I detest your presence
noone is safe (UNBELIEVABLE BREAKDOWN)
noone is safe
noone is safe
noone is safe

Hide behind a mask you fucking Coward,
You stand powerless,
Hide behind a mask you fucking coward, I detest your presence.
I was born to destroy you will never escape me.
I was born to destroy you will never escape me.

I am Onslaught,
I am Onslaught,
Know My name and fear it
Know My name and fear it
