

# Bright Lights, Big City

## Them

All these wise guys tryin' to put us down  
We gonna bring 'em on in  
Bring 'em on home See them stumblin' by the wayside  
See them stumblin' by the wayside  
Though it won't sail, 'cross the water, yeah Row-in boats across the water  
Pick them up baby, row them on  
Bring 'em on in, bring 'em on home Well, I was drivin', in my Jaguar  
Doin' ninety miles an hour  
I was drivin' up a clear way  
It was just my luckiest day An' I kept speed up  
An' I rowed these boats  
Bring 'em on in  
Bring 'em on in Bi, do, a, di, do, a, di, do, a, do Now, I went walkin' down by Queensway  
When I met a friend of mine  
He said, "Come on back, back to my pad  
We will have a nice time if you pick me up  
Row me on, bring me in, bring me in" When I stepped off the boat  
And I walked upon the dry land  
Slowly, to the car park  
And I jumped in, outta my mind, outta my mind  
Bring 'em in, bring 'em on in, bring 'em in Ay, ooo, lotta, ooo, li, otta  
Ooo, li, otta, ooo, li, otta  
Ooo, li, otta, ooo, ah Bring 'em in baby, bring 'em on in  
Hey, hey now  
Bring 'em on home  
Bring 'em in, hey, hey, hey  
Bring 'em on home, all right  
Bring 'em on home I said, pick me up, baby  
Row me home, bring me in, hey Bi, do, a, I, ooo, le, ooo, le, a, ooo, le, a  
Ooo, la, te, do, da, la  
Alright  
Bi, oh, da, e da, ee, da, ooo, a la  
All right
