

Make It Shine (Victorious Theme)

Victorious Cast feat. Elizabeth Gillies & Ariana G

Here I am
Once again
Feeling lost but now and then
I breathe it in
To let it go
And you don't know where you are now
Or what it will come to
If only somebody could hear
When you figure out how
You're lost in the moment
You disappear
You don't have to be afraid to put your dreams in action
You're never gonna fade you'll be the main attraction
Not a fantasy
Just remember me
When it turns out right
Cuz' you know that if you live in your imagination
Tomorrow you'll be everybody's fascination
In my victory
Just remember me when i make it
shinereaching high feeling low I'm holding on but letting go
I'd like to shine I'll shine for you, and you've got to show the world how it's a little bit closer , and now I'm
ready to go, all we have is right now so if you feel it inside you know you don't have to be afraid to put your
dreams in action
you never gonna fade you'll be the main attraction
not a fantasy just remember me when it turns out right
cuz' you know that if you live in your imagination
tomorrow you'll be everybody's fasination
in my victory
just remember me when i make it SHINE!!
