

# Out Of My Heart

**BBMak**

I feel fine  
Now the rain has gone  
And the sun has come to shine  
Nothing can get me down todayHead over heels  
Got my mind made up  
As I'm driving through the fields  
Nothing can get me down againCatch me if you can  
I've got to make a getawayAs the sun goes down, waking up my dreams  
And in my mind you're with me once again  
Out of my heart, into your headAnd inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your headChasing the sun  
Trying to get away  
From the rain that's gonna come  
Hope I make it all the wayI'm lost in a crowd  
Trying to find my way  
But the rain keeps falling down  
Doesn't matter anywayCatch me if you can  
I've got to make a getawayAs the sun goes down, waking up my dreams  
And in my mind you're with me once again  
Out of my heart, into your headAnd inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your headTake a look at the sky  
Feel the sunshine  
In your heart, in your head  
In your own timeAs the sun goes down, waking up my dreams  
And in my mind, you're with me once again  
Out of my heart, into your headAnd inside my heart there's a place for you  
And in my mind I'm with you once again  
Out of my heart, into your headOut of my heart, into your head  
Out of my heart, into your head
