

I Ain't Superstitious (featuring Jonny Lang)

Santana

Well I ain't superstitious,
But a black cat crossed my trail.
No I ain't superstitious,
But a black cat crossed my trail.
Bad luck ain't got me so far,
And I won't let it stop me now, no noThe dogs begin to bark,
All over my neighborhood.
And that ain't all.
Dogs begin to bark,
All over my neighborhood.
Mmm-mmm
This is a mean old world to live in,
And I can't face it all by myself, at all.
Oh yeahWell, yes I willAnd, dogs begin to bark,
All over my neighborhood, yeah yeah
Well, the dogs begin to bark,
All over my neighborhood.
I got a feelin' about the future,
And no it ain't too good, I know that.
I know, I know, I know.Well I ain't superstitious,
But black cat crossed my trail,
I know I ain't superstitious,
A black cat crossed my trail.
Bad luck ain't got me too far,
I ain't gonna let it stop me now.
Oh no, no noThis can't be good, oh no
Ooh, ooh no no
Alright, alright, alrightYeah, yeah, yeah
