Black Bloody Roses

Evenfall

when the moonlight
takes the sky
when the moonlight
takes the sky
to feel my dark romance.
time is right to let blood
running hot
running hot
i'll be your tears
when your soul cries
in the night
i'll be a kiss os death
when black roses
fall down from your hand
for a signed destiny
i can see right through you
it's in your dreams
hold me. feel me. hear the
call of falling angels
i can see right through you
i can see right through you
it's in your dreams
hold me. feel me. hear the
call of falling angels
you'll sleep eternal
forever young
witch of all witches
evil of evil
