

Don't Wait (feat. Chance the Rapper)

Mapei

Old friend indeed, come build me up
Come shed your lie, it makes me shine
You get the message, don't you ever forget it,
Let's laugh and cry until we die! If it wasn't for you, I'd be alone
If it wasn't for you, I'd be on my own
Don't wait til I do wrong
Don't wait til I put up a fight
You won my heart without a question
Don't wait for lie! Hey, I care for you, I talk to you in my deepest dreams, unfortunate
We got a frigette, no one can contest it
And not to mention, I respect you with my all! If it wasn't for you, I'd be alone
If it wasn't for you, I have to hold my own
Don't wait til I do wrong
Don't wait til I put up a fight
You won my heart without a question
Don't wait for lie! Not a thing in the world could get between what we share
No matter where you at, no worry I'll be there
No one's got your back like I do
Even when the business not going well, we still do
When I shine, you shine no ways on your side
All my life you'll have what's mine
Mark my word, we gon' be alright
My brother, my sister we gon' be just fine! Hey, If it wasn't for you, I'd be alone
Hey, If it wasn't for you, I'd be on my own
Don't wait til I do wrong
Don't wait til I put up a fight
You won my heart without a question
Don't wait for lie!
