

Hold Us Together (Regis Funk Remix)

[Matt Maher](#)

It don't have a job, don't pay your bills
Won't buy you a home in Beverly Hills
Won't fix your life in five easy steps
Ain't the law of the land or the government But it's all you need And love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world will know that we're not alone It's waiting for you knocking at your door
In the moment of truth when your heart hits the floor And you're on your knees And love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world will know that we're not alone This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark, you can still see the light
It's gonna be alright, it's gonna be alright This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark, you can still see the light
It's gonna be alright, it's gonna be alright Love will hold us together
Make us a shelter to weather the storm
And I'll be my brother's keeper
So the whole world will know that we're not alone
