Chaotica

gotta run,
gotta run 'till i fall.
gotta keep on feeding the craze.
gotta build,
gotta build up my wall.

gotta keep my head screwed on tight.

gotta deal with the pain.
gotta put up with all the lies.
gotta break,

gotta silence all of the cries.

((chorus))

its ok if im a bit unstable.
ive been doin just fine on my own.
i dont care if im in denial.
its a mild syndrome.

the more i try,
the less im free.
the more i feel,
the more i hate me.

gotta run,
gotta run 'till i fall.
gotta keep on feeding the craze.
gotta build,
gotta build up my wall.
