Jesse Buy Nothing... Go To Prom Anyways!

Hellogoodbye

(Come with Jessie)
Prom is coming
It's on the 17th of May
And I got a message
I want to convey

I'll buy a nice suit
And you can wear a pretty dress
You will watch me dance
And realize I am the best

[Chorus]
Will you go to prom with me
(And dance [x6])

Slow dance
And fast dance
And clap out hands (clap, clap, clap)

My moves will be so hot
You'll have to stand under the fan

This dance will be better
Then your favorite ice cream
I cut like a knife
And dance like a dream

[Chorus x2]

Let's go to prom
Ahhh let's go to prom
Let's go to the prom
Let's go to the prom

(I buy nothing
Jessie buy nothing)

[Chorus x4]

Come with Jessie
