Even If

(cecile azarcon)All those sleepless nights
All the tears I cried
All the pain I kept inside
I kept asking myself why
You had to say goodbyeWas it just a dream
When you said to me
That there is someone new in your life
You could have at least lied
The truth just scared meChorus:
Even if...
You mean the whole damn world to me
I can forget you, wait and see
I can be strong even without you
I can't waste my life forever
Hoping you'd come back to me
But deep inside I know
I'll be waiting here for you(instrumental)Even if...
You mean the whole damn world to me
I can forget you, wait and see
I can be strong even without you
I can't waste my life forever
Hoping you'd come back to me
But deep inside I know
I'll be waiting here for you
