

Russian Roulette - Chew Fu Black Russian Fix

Rihanna

Take a breath, take it deep
Calm yourself, he says to me
If you play, you play for keeps
Take the gun, and count to three
I'm sweating now, moving slow
No time to think, my turn to go And you can see my heart beating
You can see it through my chest
And I'm terrified but I'm not leaving
I know that I must pass this test
So just pull the trigger
Say a prayer, to yourself
He says close your eyes, sometimes it helps
And then I get, a scary thought
That he's here, means he's never lost And you can see my heart beating
You can see it through my chest
Said I'm terrified but I'm not leaving
I know that I must pass this test
So just pull the trigger As my life flashes before my eyes
I'm wondering will I, ever see another sunrise
So many won't get the chance to say goodbye
And it's too late to pick up the value of my life
And you can see my heart beating
You can see it through my chest
Said I'm terrified but I'm not leaving
I know that I must pass this test
And you can see my heart beating
You can see it through my chest
Said I'm terrified but I'm not leaving (No No)
I know that I must pass this test
So just pull the trigger
