My Life

Agnostic Front

It's my life, one, two, three, four
Everybody's got a price to pay
It's my life
Gonna do things my own wayIt's my life
Take what's mine, take what's left
It's my life
Live my life with no respectIt's my life
Everybody's got a price to pay
It's my life
We don't like you anywayIt's my life
And as I walk these streets all alone
It's my life
And I might not feel like going homeIt's my life
Everybody's got a price to pay
It's my life
Gonna do things my own wayIt's my life
Take what's mine take what's left
It's my life
Live my life with no respect
It's my life
