

Head First (2000 Remastered Version)

The Babys

Well the first time that I saw ya
You looked down and out
And I had my doubts
About you
But baby since I've come to know ya
I ain't got no doubts
What it's about Me and baby
We're going out tonight
She's gonna treat me right
Ooh yeah
Me and sugar
We've got it all sewn up
She fills my loving cup
We're going head first Well the second time that I saw ya
Man you'd really improved
I was really moved
How I wanted you
I'm knocking at your door
To see if you're alone tonight
Cause I need some more
Of what you got Me and baby
We're going out tonight
She's gonna treat me right
Ooh yeah
Me and sugar
We've got it all sewn up
She fills my loving cup
We're going head first Baby baby baby
Take me in your arms and love me
Cause you know what I am anyway
You got me on my knees
I'm gonna say please if you want me
Cause I want you so
I'm never gonna let you go Me and baby
We're going out tonight
She's gonna treat me right Ooh yeah
Me and sugar
We've got it all sewn up
She fills my loving cup

We're going head first
Me and baby
We're going out tonight
She's gonna treat me right Ooh yeah
Said me and baby
We've got it all sewn up
She fills my loving cup Ooh yeah
Me and baby
Me and baby gonna rock and roll
She fills my loving cup
It's gonna be alright Me and baby
We're gonna rock and roll
We're gonna rip it up
We're fallin' head first
