

# Yalla Habibi

Karl Wolf

We goin? international with this one  
Kaz Money, Rime and the one and only Karl Wolf

Yalla Habibi

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin?

Miss the kissin?

And miss the way you touch me

Why don?t we enjoy the beauty of life?

Yalla Baby

[Karl Wolf]Lately, seems like I haven?t had the time to enjoy life with you girl  
But maybe I should take break from the limelight so we can get away

At least for a few days or a few weeks (yeah)

It would be amazing to treat ourselves just a little bit girl

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin?

Miss the kissin?

And miss the way you touch me

Why don?t we enjoy the beauty of life?

Yalla Baby

[Rime]Baby it?s funny how you say this

Cause I was thinking the same thing

And honey we used to be like Bonnie and Clyde

But now we barely make time for each other

Let?s take a trip together

Go somewhere just you and I

Cause baby it's been a while

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin?

Miss the kissin?

And miss the way you touch me

Why don't we enjoy the beauty of life?

Yalla Baby

[Kaz Money]Race to the top

We livin' life in the fast lane

Fast trips ya salam is in fast games

Top of the world looking down work hard

Stick with me girl you gotta be a brave heart

Distracted by flashing lights like Kanye

Somehow you keep me in the zone like Alazay

Either way you deserve it oh you're a queen like Nefertiti

So

Yalla Habibi

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin?

Miss the kissin?

And miss the way you touch me

Why don't we enjoy the beauty of life?

Yalla Baby

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time  
Yalla Habibi  
I miss the cuddlin?  
Miss the kissin?  
And miss the way you touch me  
Why don't we enjoy the beauty of life?  
Yalla Baby  
Where else in the world would you wanna be but right here with us right now  
Kaz Money, Rime and the one and only Karl Wolf
