

# Falling (Mario M Remix)

Mike Posner

Well alright  
Oh oh lord  
Well alright  
Oh oh lord  
Well alright  
Oh lord  
Well alright Drive your high heel into my heart  
I don't even care  
Cause my pride is worth much more than your  
Your stupid little love  
Every word that you say keeps on bouncing around in my head  
When all my delusions of grander have turned into bad jokes instead  
You'll be there pointing and laughing to prove you were wiser than I  
Well I'm just pretending perfection  
I'm flying uncomfortably high It feels like I'm falling  
It feels like I'm falling  
It feels like I'm all in  
It feels like I'm falling Drive your high heel into my heart  
Cause I don't even care  
My pride is worth much more than your  
Your stupid, your stupid little love  
Every word that you say keeps on bouncing around in my head  
When all my delusions of grander have turned into bad jokes instead  
You'll be there pointing and laughing to prove you were wiser than I  
Well I'm just pretending perfection  
I'm flying uncomfortably high It feels like I'm falling (falling)  
It feels like I'm falling (falling)  
It feels like I'm all in (all in)  
It feels like I'm falling (falling) It feels like I'm falling (falling)  
It feels like I'm falling (falling)  
It feels like I'm all in (all in)  
It feels like I'm falling (falling) Well alright  
Oh lord  
Well alright  
Oh lord  
Oh lord
