La la Land

The Go-Go's

Come on everybody, do you want something real?
Can't seem to get ahead but it's no big deal
Floating like a feather in the wide open space
Landing in a perfect happy placeHello world, we're here again
Living life in La La LandI hear what I wanna hear, living on cloud nine
Jumping on a bed of flowers chasing the time
"Oh, it's a hard road", says everyone I meet
We can't trust the ground beneath our feetHello world, we're here again
Living life in La La Land
Hello world, let your love expand
Living life in La La LandYeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah, yeah, yeahLa La La Land, La La La Land
La La La Land, La La La Land
La La La Land, La La La Land
La La La Land, La La La LandHello world, we're here again
Living life in La La Land
Hello world, we're here again
Living life in La La Land
