Walkin' With Jesus (Alternate Mix)

Spacemen 3

I walked with Jesus and he would say
"Oh you poor child, you ain't comin' to me no way
You've found Heaven on Earth, gonna burn for your sin"
But I think I'll be in good company down there with all my friendsWell I got around to thinking 'bout what Jesus said to me
Cos if Heaven's like this, then that's the place for me
Long, long time between now and my death
And I gotta have my fun so I've chosen what's bestWell, here it comes
Here comes the sound
The sound of confusion
The sound of love
So listen sweet Lord, forgive me my sin
'Cos I can't stand this life without all of these things
Know I done wrong, but I've Heaven on Earth
Know I done wrong, but I could have done me worseWell, here it comes
Here comes the sound
The sound of confusion
Well, here it comes
Here comes the sound
The sound of loveHere it comes
Here it comes
Here it comes
The sound of love
The sound of love
The sound of love
Jesus please meet me at the centre of the earth
Cos these wings are gonna fail me and I could have done me worse
Yeah I could have done me worse
Yeah I could have done me worse...
